Journaling is a wonderful way to gather treasures, memories and experimenting as an artist. Simple lettering techniques will be explored to enhance the appearance of your text...it will be a joy to hold in your hand!

Her university background in art and English has provided the foundation for her love of words and letters. She has been teaching classes and workshops across Canada and the US since 1981. Her work has been published in "ABC Canada," "The Spirit of Calligraphy," "Speedball Handbook 23rd Edition," "The Art and Craft of Hand Lettering" and most recently "Fine Renditions." Ongoing work includes lettering and illustration for the commercial card and print industry as well as private commissions. She was director of "Pen-Ultima '99," the 19th International Calligraphy Conference in Lethbridge, Alberta and two regional conferences. Connie has also been on faculty at several international conferences.*
