# MAKE YOUR OWN FOLDED PEN

with GARY MOND

Tuesday, March 16, 2010 • 7:00 p.m. - 9:00 p.m.  
(West Valley location to be announced upon payment)

Come for our first-ever WEEKNIGHT PLAYNIGHT when GARY MOND will teach how to make your very own folded pen. This innovative and inexpensive automatic pen is made from easy-to-find household objects, and works beautifully with ink, gouache, acrylic and other lettering media to create exciting and dynamic letterforms. Exemplars for sample alphabets will be given out as well.

**GARY MOND** has a background in advertising as an art director, and became interested in calligraphy 25 years ago. Going after what he saw as the most defined part of calligraphy, he learned different styles and pursued the envelope/placecard side of the business, which makes up about 90% of his work from his in-home studio.

**Cost: \$20**

**NOTE:** Payment must be received to reserve your spot. Participation in this workshop is limited due to space. No refunds unless the seat can be filled from a waiting list!

Supply list will be sent to you upon reservation.
